## COMPETITION FOR DIANA APCAR MONUMENT (DIANA APCAR PARK IN YEREVAN, ARMENIA)

### INFORMATION ABOUT THE PROJECT AND COMPETITION

The Diana Apcar monument project is important for Armenia and is very unique. This will be the first monument of a historical woman in the city of Yerevan. The project is organized by the NATIONAL CENTER Development Foundation and its team. City hall has officially approved the creation of the monument and its installation in the park named after Diana Apcar in the very center of the city.

In cooperation with the State Academy of Fine Arts of Armenia, we announce a competition for students, teachers and anyone who wants to participate in the development of the monument.

### STAGE 1 WORKING SKETCH & SCALED MODEL: SUBMITTAL

**Development and creation of sketches and a small model of the sculpture of DIANA APCAR**

- 1. Development of design, creation of a sketch and a small layout.**  
- Pictures: At least 2 views frontal and side with dimensions
- 2. Development of technical documentation**  
- Location of the statue in plan with dimensions  
- Specification of materials
- 3. Short description of Artist's concept**
- 4. Photographs of small scaled model (12 to 20cm)**

### STAGE 2 SELECTION OF WINNER, THE FINAL SCULPTURE

**Parameters of the large final sculpture of DIANA APCAR**

\*These parameters are based on the selection committee's preferences and will be discussed with the artist, who is free to offer his/her own solution.

- 1. Approximate dimensions of the sculpture 2,5 (width) x 4,5 (height) meter** (Considering architectural elements and additional details)
- 2. Creation of a full-size volumetric figure.**  
- Technical considerations and pouring of DIANA APCAR sculpture in bronze.

### STAGE 3 FINANCIAL ASSESSMENT OF THE PROJECT

**The Sculptor's fee for working on a full-size sculpture.**

**It will be decided between May 08 and May 28. The price will depend on the complexity of the monument.**

All material costs for the full-size sculpture will be covered by the Foundation. It will provide casting and installation (Installation includes all construction work, lighting, and additional architectural features).
